General Booking Information

Each pitch entitles entry for two exhibitors and one vehicle. If we cannot place you on the pitch of your choice, we reserve the right to allocate you an alternative pitch.

IACF utilises Third Party Payment Services to conduct card payment processing whereby consumer data will be transmitted via Third Party Systems in order to validate the transaction. All data will be encrypted for security purposes and that you consent to this transaction being conducted in accordance to the terms agreed upon by IACF.

Post-dated payments by cheque or credit or debit card are taken one calendar month prior to the date of the fair. Cheques must be made payable to IACF. NB: Cheque payments cannot be accepted if received within 2 weeks of a fair.

If you are paying by cheque or credit card and the name on the cheque or card is different to the name on the booking, we will require you to give us the full name and address of the cheque issuer of debit or credit card holder. This is done on the booking form and is mandatory.

Receipt of payment and confirmation of booking is not acknowledged (unless requested) until you receive your tickets and receipt 10 or 12 days before the fair. The top part of your ticket is your receipt. Please detach this before displaying the ticket in your vehicle.

Should there be any outstanding balances or queries, tickets will be retained and made available for

collection upon arrival at the fair. All settlements must be paid prior to entry.

The deadline for cancelling a booking is one calendar month prior the fair, and all cancellations must be given in writing. See our terms and conditions for full details.

If your tickets do not arrive, please telephone the office to confirm your booking. Do not wait until the day of the fair and arrive without tickets.

IACF is not responsible for the loss of tickets posted. Any stallholders arriving without tickets will be required to purchase another set. If both sets of tickets are returned, we will send a refund. Tickets for late bookings, i.e. up to seven days before the fair, will be automatically held at the gate for collection on arrival.

We will only accept cash or card payment at the gate. Any bookings taken over the telephone will be accepted subject to IACF normal business terms and conditions contained at the back of this booklet and are also available upon request and on our website. Any person booking a pitch will be deemed to have done so in accordance with these terms and conditions.

Only antiques and justifiably collectable goods may be sold at the fairs. Reproductions by arrangement with IACF. Anyone who has not booked sufficient pitches to accommodate their stock, vehicle and caravan or trailer (if applicable) will not be allowed into the fair and no refunds will be given.

"Person" Includes any individual, company, sole trader, partnership or other legal entity.

1.2) Clause headings in these terms and conditions are for ease of reference only and shall not be taken into account in construing these agreements.

2. Compliance with requirement with the Authorities and the Law.

2.1) In addition to these terms and conditions, the Exhibitor must comply with the requirements of the insurance policies of the Owner and the Organiser and all other provisions in force from time to time applicable to the Fair, the Exhibitor and/or any of the sale goods, displays or services the Exhibitor wishes to include in the Fair and where applicable with any regulations issued by the Owner in force at the time of the Fair.

2.2) Exemptions from any of the terms and conditions may be granted at the Organiser's discretion. No exemption given by the Organiser will be effective unless it is in writing.

3. Nature of the Contract

3.1) No Pitch will be reserved or treated as allocated and no Contract shall exist until the Exhibitor has paid the charges in full.

3.2) The Contract constitutes a licence and not a tenancy. The Organiser reserves the right at any time to make such alterations to the plan of the Fair as may, in its opinion, be necessary in the best interests of the Fair as a whole.

4. Organiser's liability - cancellation of the Fair, force majeure etc

4.1) The Contract shall continue in full force and effect and the Organiser shall be under no obligation to repay the Charges paid or payable by the Exhibitor and shall be under no liability to the Exhibitor whatsoever as the result of the happening of any of the following events:

(a) the Fair being abandoned, cancelled, postponed, suspended (in whole or in part) or otherwise adversely affected by reason of any act of God, war, fire, flood, emergency, drought, labour, dispute, trade dispute, terrorist act, threat of terrorism, strike, lock out, civil disturbance, accident, the non-availability of the Fair Venue or any other cause not within the Organiser's control; (b) any changes in requirements of any Authority or the Owner in respect of the Fair;

EXHIBITORS ARE URGED TO SEEK APPROPRIATE INSURANCE COVER IN RESPECT OF THE CONSEQUENCES OF THE FOREGOING RISKS.

4.2) The Organiser shall be entitled to exercise all or any of the rights, powers or discretions conferred on it by these terms and conditions without assigning any reason and (unless otherwise provided) in such a manner as, in the Organiser's view, is in the best interests of the Fair. In no circumstances shall the exercise by the Organiser of any of these rights, powers or discretions give rise to any claim against it.

4.3) The Organisers reserve the right to change the dates and/or location of a fair.

5. Exhibitors' liability on cancellation

5.1) All requests for cancellation must be submitted to the Organiser in writing and depending on when the same is received by the Organiser:

(a) Pitch cancelled before due date for cheque presentation or credit card authorisation: no charge;

(b) Pitch cancelled after 1 calendar month before the fair or due date for cheque presentation/credit card authorisation:

NO REFUND OR CREDIT WILL BE GIVEN;

5.2) Pitch booked after the 1 calendar month payment date will not receive any refund or credit should they cancel their booking.

6. Entitlement to occupy the Pitch

In no circumstances will any Exhibitor be permitted to occupy a Pitch if the Charges have not been paid in full. Should any Exhibitor be prevented from occupying its Pitch for this reason the whole of the Charges due under the Contract shall be recoverable forthwith by the Organiser. The Organiser shall be entitled to utilise the Pitch allocated to such an Exhibitor in such a manner as the Organiser thinks fit.

7. Use of Pitch/no sub-letting etc

The Organiser reserves the right to refuse to admit or to expel from the Fair Venue any Exhibitor who utilises a Pitch for a purpose which (in the opinion of the Organiser) is inconsistent with the integrity of the Fair as an Antique and Collectors Fair.

8. Right of entry

The Organiser and the Owner and those authorised by them respectively have the right to enter the Fair Venue and Pitch at any time to carry out inspections, execute works, repairs and alterations and for all other purposes. No compensation will be payable for damage, loss or inconvenience caused by the reasonable exercise of this power.

9. Admission to the Fair and Ticket Arrangements

9.1) The Organiser reserves the right to refuse to admit or to expel from the Fair Venue any person at any time notwithstanding that person's possession of a valid ticket and the Organiser will not be obliged to refund any Charges paid.

9.2) Each pitch entitles entry for 2 exhibitors and one vehicle.

9.3) Receipt of payment and confirmation of booking is not acknowledged (unless requested) until you receive your ticket 10-12 days before the Fair opening date but only if the Charges have been paid in full. Each vehicle pass will admit 2 people travelling in that vehicle. If you travel separately you must advise the office in advance. For late bookings and where some or all of the Charges remain unpaid documentation will be retained and can be claimed at the gate upon payment of any balance due in cash as the case may be. If documents do not arrive or are incorrect, do not delay, please call the Organiser's office.

9.4) The Organiser will not issue duplicate documents under any circumstances even if lost or delayed in the post. An Exhibitor who does not receive documentation must telephone to confirm the booking and will be required to pay the Charges again in full upon arrival at the Fair. Following the Fair the Exhibitor whose documents have been delayed must submit to the Organiser both sets of tickets and request a refund. A refund will then be issued in the Organiser's sole discretion.

10. Gangways/aisles

10.1) It is the responsibility of the Exhibitor to ensure that gangways adjacent to its Pitch are kept free from obstructions and trip hazards during the whole of the time the Fair venue is open for the purposes of the Fair and so far as practicable during the setting up and dismantling of the Fair. IACF is not liable for damage to any stock.

10.2) The Organiser reserves the right to remove obstructions to the gangways and aisles and no compensation will be payable for damage, loss or inconvenience caused by the reasonable exercise of this power. In cases of serious or persistent breach, the Organiser may also exclude the Exhibitor or terminate the Exhibitor's Contract.

10.3) Exhibitors are responsible for the safety of anyone who is on their stand and in the area of their stock.

11. Delivery and removal of sale goods, displays and fittings

11.1) Prior to the opening date the Organiser will notify Exhibitors of the times prior to the opening time and following the closure of the Fair when goods for sale or display may be received at the Fair Venue or removed from it. Only those entrances and exits specified by the Organiser may be utilised. Exhibitors must accept as final the ruling of the Organiser with regard to the short and long term parking of delivery and other vehicles.

11.2) In the event that the Organisers or the Authorities shall require a vehicle to be removed by the Police then Exhibitors are deemed to consent to the same and the Organiser shall accept no responsibility for any damage, fines or charges thereby caused or incurred.

11.3) Empty boxes, packing and storage crates may not be stored at the Fair Venue if this is against Authority regulations.

12. Conduct of Exhibitors

12.1) The Exhibitor must conduct itself in such a manner as shall not in the view of the Organiser cause disturbance to any other Exhibitor, any visitor or the Organiser and shall not create any disturbance, loud noise or obstruction or behave in a way which in the view of the Organiser is unnecessary or unacceptable.

12.2) Any person who does not comply with these requirements shall be liable at the discretion of the Organiser to be removed from the Fair Venue and refused re-admission during the period of the Fair.

12.3) Exhibitors must adhere to speed restrictions and traffic controls at all times.

13. Risk and insurance

13.1) Each Exhibitor attends the Fair entirely at their own risk.

13.2) The Exhibitor is responsible for and shall indemnify the Organiser in respect of all claims (whether arising from personal injury or damage to property or otherwise) arising in connection with the erection or dismantling of the Exhibitor's Pitch and anything permitted, omitted or done thereon or therefrom during the period of the Fair or during the construction and dismantling period. IACF has a limited liability of £250 so we advise exhibitors to arrange their own insurance.

13.3) The Organiser will take such precautions as it may consider appropriate for the proper running of the Fair but will not at any time be responsible for the loss of, or damage to, or safety of any Pitch, sale goods or displays or other Property of an Exhibitor, or any other person under any circumstances.

13.4) The Exhibitor shall do nothing to jeopardise the current insurance policy or policies of the Fair Venue or the agreement between the Organiser and the Owner regarding the use of the Fair Venue and the Exhibitor shall in all cases comply with any requirements of the Fire Officer or other Authorities concerned.

14. Dangerous materials, appliances and electrical equipment

No naked lights, oil lamps or temporary gas or electrical fittings may be used at the Fair Venue in the selling area and only British Standard approved appliances for use in caravans may be used therein. The Organiser reserves the right to confiscate any appliances it considers to be a danger or potential danger and any appliances so confiscated will only be returned to the Exhibitor upon departure from the Fair. All electrical equipment should be PAT tested.

15. Catering/entertaining

Other than in respect of a Pitch designated for the provision of food, all articles for human consumption whether for eating, drinking or smoking (other than for personal consumption by an Exhibitor) within the Fair Venue or which are dispensed or given away must be obtained from official caterers.

Terms & Conditions

16. Rubbish

17. Failure of services

Where the supply of services is interrupted for reasons outside the Organiser's reasonable control, the Organiser shall not incur any liability to an Exhibitor for any losses, costs or damage if any such services shall wholly or partially fail or cease to be available nor shall the Exhibitor be entitled to any rebate or allowance in respect of the Charges due or paid under the Contract.

19.2) The Organiser reserves the right to specify the time at which individual Pitches shall be cleared.
